

## A little help needed here!

Gentlemen & Ladies of Charlie Co 3/22: **Nick Dragon** has acquired this list of Combat Soldiers in harm's way that do not get much in the way of communication with the real world. We all know what that was like at one time in our lives. If any of you would like to send a letter or care package to one or more of these Warriors, we know they would appreciate it.

(comments on what to send: As far as anything special, we are at BAF so there isn't too much that can't be acquired here. Baby wipes and things of that nature are always good though. Maybe some good motivational stories from the old members themselves.)

General ideas of what to send if you're stumped: shaving cream, multi-bladed shaving razors, action/comedy dvds, ear phones, international phone cards)

Thanks again to you and your comrades, Is there a Chaplain Assistant vet among your group?

Very Respectfully,  
SGT Hantz
