ANNUAL THIRD PLATOON (and friends) NEWSLETTER

Written by Shorty Menendez.

It's been a rough year for many of us. But it was really great to be able to attend the Company Reunion at Ft. Benning. Gary Dunagan did a great job assembling the reunion. It ran smoothly. Seeing our buddies was awesome. A little sad to hear some had to cancel on the reunion, BUT! Boddy Goins is sponsoring another Platoon Reunion at the HUNTING LODGE again. God bless him.

This is a reminder of the reunion on September 8-11, 2022. Further info on hotel and things will follow in the spring. Mark this on your calendar "NOW". We hope to see everybody again at the reunion.

As of this date and after scholarship awards, our funds are drastically low. We had three people donate this past year. We need everyone to join in on the donations to the Scholarship fund if we want it to continue. Something I will bring up again at the reunion. The current balance is sadly at \$900.35.

I hope everyone is doing well and I will see you at Bobby's Reunion in Georgia. BE THERE OR ELSE!

To all my Buddies Forever,

Shorty Menendez
